

Dear friends,

If there's one word to describe the past four weeks – **electrifying** fits perfectly.

In August 2025, I proudly launched **Doreen Khamala Books!**

This online bookstore (**www.doreenkhamalabooks.ke**) is dedicated to delivering my finest works in Sensual Fiction and Prose Poetry, bringing you captivating stories and evocative prose like never before.

Under Doreen Khamala Books, **I ALSO LAUNCHED!**

The logo for the Novel Nook Program. The words 'Novel Nook' are in a large, white, serif font, arched over the word 'PROGRAM' which is in a smaller, white, sans-serif font. The background is a dark blue rectangle.A red curved arrow pointing from the text 'I ALSO LAUNCHED!' to the Novel Nook Program logo.

Write your **full draft** and transform your relationship with writing.

Each book written in *just* one year.

From underlining favorite lines in books and songs to copying quotes into notebooks, every small act was a step toward capturing moments and feelings that only the right words could hold. **That is how it all began**—a journey of quiet discovery and growing passion for language.
